Subject: Award of survey work project in Maharashtra

In terms of Regulation 30 read with Schedule III of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform that Ridings Consulting Engineers India Limited has received a contract worth approx. INR 15 crores every year for underground land survey in Maharashtra which shall be completed in span of 5 years from the month of initiation i.e. March, 2018.

This project shall be executed in consortium with S2 Infotech International Limited. The scope of work will be to detect all utilities under the Municipal Corporation limit. This work has to be executed with the state of the art technologies like GPR (Ground Penetrating Radar), DGPS (Differential GPS), EPL (Electric Pipe Locator) etc.
